

One price per location.

Everything your restaurant runs on.

Food cost, invoices and AP, scheduling and labor, recipes and pricing, forms and food safety, inventory, training and reporting, in one app for computers, iPads and phones.

RECOMMENDED

MarginGains + AI receptionist

\$548

 per location / month

- The whole MarginGains app
- AI receptionist answers every call, in English and Spanish
- Takes messages, shares your menu and ordering links, and never turns a caller away

MarginGains

\$349

 per location / month

- The whole MarginGains app
- Add the AI receptionist anytime
